A note from the Principal

Next week, our students will participate in a practice drill called "Code Red".

I know, as parents, you realize the importance of being prepared and having a plan in place at home for the safety of your child(ren). The Phoenix-Talent School District also has a plan in place for the safety of students and staff in any unforeseen emergency. Our teachers have taught every class the correct procedures to follow in the event of a *Code Red* alert: where to go; listening closely; following instructions; moving quickly and quietly. I am pleased to inform you that Chief Rector of the Talent Police Department has agreed to be present during our Code Red drill to evaluate its efficiency and offer suggestions for improvement. I feel confident that if necessary to respond to such an unforeseen event, our students will gain a sense of security in practicing these procedures.

No School

Just a reminder that this coming Monday February 18, is Presidents' Day Holiday in honor of George Washington, and there is no school.

Washington

Talent Show!

Friday, February 22nd is the deadline to turn in your sign-up sheet along with a copy of the CD or music to be used for your performance. There will be a **one-time (only) mandatory dress rehearsal** on Friday, February 29th at the following times: **Gr K-2** 5:00-6:00 p.m. and **Gr 3-5** from 6:00-7:30 p.m. Remember to catch our "talented" students and staff at Phoenix High School's Rose Theatre on Tuesday, March 4th beginning at 6:30 p.m.

Talent Elementary's Great Green Garden

Our School and Community garden is looking better all the time!

We thank Phil and Janet Post for their generous donation of time and labor. Phil cleaned up our leaf pile with his tractor. Janet brought five young men to create paths and turn the compost piles, as well as clean up the playground. Thanks (too!) to Justin, Adam, Scott, Mike and Gabe.

We would also like to thank Pat at Valley View, who once again has donated soil amendments to the garden.

We hope to expand the garden and are looking for donations of large boards, soil, and the use of a tractor. Please contact Mr. Saturen at the school – 535-1531 – if you can help with something.
